110,958 Mobile Numbers

Business Magazine Subscribers consists of subscribers to the English language fortnightly & monthly business magazines. It represents upwardly mobile individuals who are well informed about the business environment in the country and like to be up to date on the economic, financial and business market trends. Most readers are in the age group of 25-50. They live in the urban cities of India, belong to the upper income group. They are professional senior executives who are well educated in their field of expertise. The readership is predominately male. 60% subscribers are at residential address and 40% are at business address.
